**INFORMATION:**

Dogs that have passed their Odor Recognition Test (ORT) from the National Association of Canine Scent Work (NACSW) are not required to earn a (PT) for the odor(s) they have passed in NACSW. Proof of Odor Recognition Tests from the NACSW must be included with the entry form when entering any trial if the dog has not earned a PT or any other UKC title for odors that will be used in the trial.

A UKC registration number is required to participate in these trials. For information on UKC registrations go to [www.ukcdogs.com](http://www.ukcdogs.com)

This event will be run in accordance with the official UKC Nosework rules that can be found at <http://www.ukcdogs.com/Web.nsf/WebPages/DogEvents/Nosework>

Refunds: Participants may request a full refund before the closing date. After the closing date no refunds will be issued. No move ups between trials. Substitution Policy: Once a team is notified they are entered, the handler may substitute another dog at the same level.

Merrillville, IN is on Chicago time - Central Standard Time

Entries must check in 15 minutes before class time. No training of any kind in the ring. Bring your own water, bowl, crate, chair, etc. Food will not be provided but there are restaurants near the facility.

Viewing: There will be an area to watch the trials. If you are in the class, do not watch until after you have completed your run. Conversation is acceptable. Do not give the hide away though! No double handling. Do not bring dogs into the viewing area. Viewing is allowed for all runs.

Noise: Plan and train for naturally occurring dog trial noises, such as printers, doors opening, crated dogs, lively conversation and laughter, possible barking and background music. Sound sensitive teams will not be accommodated, as each team must be judged in a similar environment.

Reactivity: The entrance point will be quite busy, and not conducive to an extremely reactive dog. We are not able to change the environment for a specific dog, as the trial experience should be similar for all entrants. Expect 3 dogs in line for each of the two trial rings, in addition to dogs exiting the ring in the staging area.

There is a room for crating, please keep your dog crated unless they are in line or being walked.

Make checks payable to: **UMASC Indiana**. Checks may be deposited prior to closing date. NSF checks returned constitute an invalid entry. A returned check charge of \$20.00 will be charged to any check returned as NSF.

## **TIPS FOR FILLING OUT THE UKC NOSEWORK ENTRY FORM**

Handlers may enter and handle more than one dog provided each dog is entered in a different level. You will fill out one entry form for each dog.

Below is a description of each area you need to fill out - start at the top of the form

Host Club: UMASC INDIANA

Date: 1/8/17

Dogs UKC Number: Enter your dog's UKC registration number and check the box for what type of registration your dog has then write the number to the far right on the line provided.

Please continue to fill in your dog's information and your information. You must include a phone number so we can reach you the day of the trial if needed. If the weather is not safe to drive, we will cancel the trial. **Also, if the parking lot is too icy, we will cancel.** You must also provide us with an email address so we may send out your confirmation email.

Your dog's name refers to their official registered name. In most cases that is several words. Your dog's call name refers to what you call him/her by and is normally only one word. For example a dog's name might be: Bear Ridge's Dark Star Rising. That dog's call name might be: Star.

In the Individual Element Section, check Container and/or Interior. Check Novice and/or Advanced and/or Superior. Check A or B. **Entries will run in "B" if no designation is indicated.** In order to enter the A class you must meet all of the following criteria:
